Governors Report;

Fellow Kin

What a fantastic year for District 2. We are so very honoured to have served as Governors for this amazing District. This has been a great year of accomplishments.

From every corner of this District we have had huge successes. We would like to personally thank once again the entire council for be so dedicated and serving this District.

Every member in this District should be proud to know that District 2 had a 5% membership grown this year. This is the largest growth in the entire association. This shows we can make a difference and add to the family we call Kin.

Lets keep this going for next year and show the true strength that District 2 does have! Albert Fex and Lori Miles have been working very hard and we have no doubt that 2010-2011 will be a phenomenal year for the District!

National Convention is approaching quickly and we would like to wish Brandt Bessant and Kathy Braybrook our best wishes in the National Public Speaking competition.

Have a safe summer!

James & Carolyn

Coming together is a beginning,
Keeping together is a process,
Working together is a success.
